Principal's Message

Dear Parents and Friends,

Congratulations to our students and students from Gerogery and Table Top Public School on their great performance last Wednesday at Lavington Square. It was lovely to see so many parents, relatives and friends watching and supporting our schools.

There have been many rumours circulating about the closure of our school. Although enrolment numbers were looking very low for next year, we have not been advised that the school will be closing at this stage. Over the past couple of weeks we have received a few new enrolments for 2016. It would be lovely if this trend would continue to ensure the future of our school.

Please let any parent / carer know that we would be delighted to accept enrolments in any grade and I am more than welcome to meet with prospective parents to discuss their child's or children's education at our school.

To assist us and the Department make informed decisions about the school we would like to gain a picture of enrolments for the next five years. If you have a child starting school in the next five years and intend to enrol them at Mullengandra Public School please let us know. You can ring the school (Ph.: 02 60204227, email us (mullengand-p.school@det.nsw.edu.au), call in (58 Shea Road, Mullengandra) or complete the form at the end of the newsletter. (We know this cannot be a firm commitment as circumstances do change.)

It would be extremely helpful to have this information by 21st August.

We have a beautiful school in a wonderful community. Let's make sure we keep it!

Julie Twitt
