**Snow Camp**

On Tuesday the 12th of August Mullengandra Public School went to Cabramurra for a ‘Snow Camp’. We travelled in Matt’s bus to Tumbarumba for a quick stop, a change of bus and also for some fresh air. We had to change our bus to the Cabramurra Community Bus so we could go up the Mountain. When we got to Cabramurra we went to the Scout Hall. We got to choose our rooms. Eloise, Sarah and McKenzie were in the same room.

When we had put our gear in our rooms we went to the Cabramurra School. We had lunch at the school. After we had lunch Cabramurra kids went home but we walked up to the lookout. It had great views of the town and hills in the distance. We had ‘fun’ school photos at the lookout. For tea we went to the Mess Hall. Lucie and I had calamari rings with chips. Audrey had fish and chips. Everyone else had spaghetti bolognaise.

**Day 2**

On Wednesday we went skiing with Humula, Talbingo, Khancoban and Cabramurra School students. We had a two hour ski lesson at Mount Selwyn. We were split into 3 groups.
Campbell, Sarah and I were in the first timer group. Audrey, Eloise and Lucie were in the 2 timer group. Freddy was in the experienced group.

We only went down the hill once in free skiing then we came inside with Sarah and McKenzie. Freddy, Audrey, Eloise and Lucie went down the big hill with Ms Cherry. It snowed the whole time we were there. We returned our hire gear and took the first bus back to Cabramurra with Humula and Cabramurra. We travelled to the Scout Hall and then waited for the bus to go back and pick up everyone. When they arrived we grabbed our gloves and bennies to go have a BBQ dinner. The Kindergarten, Year 1 and Year 2 students went back to the Scout Hall to have showers and then go to bed. The rest of us stayed up and played games and did dances with Ms Bowdren & Ms Twitt, before we went to the Scout Hall to have showers and go to bed. It was about 9:30 when we got to bed.

**DAY 3 & 4**

When we hopped out of bed we got dressed and went to have breakfast in the Community Hall. We had toast and cereal. Then we got to do some activities. We rotated around all the activities on Thursday and Friday morning.

Circus Arts: first we all learned how to juggle and how to walk on stilts (Except for Campbell who kept falling off). It was AWESOME!

Aboriginal Art: We painted a turtle with Deadly Arthur. It was great! We got a photo taken with our painting afterwards.

Science: We played with balancing birds and made an explosion with Mentos and coke. That was funny.

Visual Arts: We made clay objects. We could use a cut out pattern or design our own. Freddy made Batman,
Campbell made a bird and Ms Twitt made a lizard. We had to paint glazes on our item and then Kate was taking them home to fire them in a kiln. We will get our fired works back in a few weeks.

Yuki Ball: Yuki Ball is a game where you are placed in two teams and you have to force the other team back by throwing Yuki balls at them. The team that can steal the flag from the other team is the winner.

Snow Play: We had a chance to play in the snow. We had snow fights and made very ordinary snowmen. It was really cold but we had the best time.

Thursday Night Entertainment: We had a science show then dinner. That was a late night because after dinner we had a circus show as well. We got back to the Scout Hall, had showers and went to bed about 10pm.

We left Cabramurra before lunch so we just packed lunch and went down the hill back to Tumbarumba to have lunch. There we met up with Matt and hopped on his bus to go home.

It was a fabulous excursion!!!
